

AVI-TECH ELECTRONICS LIMITED

Workplace Safety and Health Policy

Avi-Tech is committed to achieving WSH excellence through continual improvement which will enable us to:

1. Comply with relevant WSH legislations and regulations and other requirements to which we subscribe to
2. Consistently establish and maintain WSH management performance
3. Operate and maintain our facilities to prevent or at least minimize risks to the health and safety of our employees, subcontractors and surrounding communities
4. Communicate our WSH policy to all interested parties
